The above company will receive applications for the insurance of houses and other buildings, merchandise, and chattel property of every description, in town or country, at reasonable rates of premium.

The capital of the company is £250,000, with power to increase the amount to meet the business of the company.

Where necessary, a deposit will be received at once for insuring property until the next meeting of the Board of Directors.

The present Company has been formed with the view of securing a portion of the profits to be derived from an important and useful business—exclusively colonial—and to preserve the income of the old company from passing into the hands of the English Companies, and thereby becoming a loss to the country generally.

Special arrangements made with the owners of floating stocks, if required.
